TWENTY-SIXTH YEAR

EARLINGTON, HOPKINS COUNTY, KY., FRIDAY, OCTOBER 15, 1915

No. 83

RESOLUTIONS

Presented to L. & N. Railroad Officials by the Committee

OF THE EARLINGTON

BOOSTER'S CLUB

The committee of the Earlington Booster Club appointed to draft resolutions to the L. & N. R. R. officials protesting against the removal of the dispatchers from this place to Evansville, have done their work well and the petitions have been sent with a large number of signatures. The resolutions follow:

Earlington, Ky. 10-11-15

For several months the men working on the repair track and employed in various capacities by your company, have not been given enough work to make a living. As a result of this the men have been unable to pay their debts and the merchants have been forced to carry these unpaid accounts. The only way that the merchants have been able to make both ends meet has been by the assistance of the money paid by the dispatchers, who have been allowed to continue at work. As it has always been the pleasure of the citizens of Earlington to stand by the L. & N. R. R. in everything they wanted and everything that would work to the advantage of the railroad can not understand why practically all of the various moves made in the last year have been made against the interests of the town of Earlington. Some of the dispatchers have invested in their homes and all have endeared themselves to their churches, schools and to the citizens generally and the idea of their leaving has met with universal dissatisfaction.

The citizens of Earlington in mass meeting have therefore resolved that you be requested to not only rescind the order of transfer of the dispatchers but also put the men back to work on the repair track.

There are many hundred cars stored on the numerous sidetracks that need repairs and these cars are needed by the mines on this division.

We therefore implore you to

put the men back to work and get these cars to the mines so that the miners can work and everything pick up and the larger falling in receipts and earnings of your company will soon disappear.

Now we are not asking you to do one single thing that will not be of benefit to your railroad system and it is only right and our just due that you take some immediate steps to counteract what has already been done that has caused such a slump in real estate values here and created a general spirit of unrest and dissatisfaction.

And be it further resolved that a copy of these resolutions be sent to Pres. Milton H. Smith, General Mgr. E. M. Starks and Chairman of the Board of Directors Mr. H. Waters.

A Texas Wonder

The Texas Wonder cures kidney and bladder troubles, dissolves gravel, cures diabetes, weak and lame backs, rheumatism and all irregularities of bladder troubles, removing gravel, the kidneys and bladder in both men and women. Regulates bladder troubles in children. If not sold by your druggists will be sent by mail on receipt of \$1.00. One small bottle is two months' treatment and seldom fails to perfect a cure. Send for testimonials from Kentucky and other States. Dr. E. W. Hall, 222 Olive St., St. Louis, Mo. Sold by Druggists.

TRIANGLES

The Triangle met with Miss Julia Fawcett Thursday evening at her home on Main street. Sewing took up the greater part of the night, as usual, after which a delicious "chicken-wiggle" was prepared on the chafin dish and served with toast and coffee. All the members were present.

Farmers, mechanics, railroaders, laborers, etc., use Dr. Thomas' Eclectic Oil. Fine for cuts, burns, bruises. Should be kept in every home. 25c and 50c.

For Sale

Horse and phaeton. Both in good condition. Horse completely gentle. Will sell cheap. Box 192 phone 120.

The Ladies' Aid of The Christian Church gave a reception Tuesday afternoon.

Mr. and Mrs. Tom Giannini and daughter Mrs. Woodall, have returned to their home in Nashville, Tenn.

J. F. DeVolder made a business trip to Evansville Thursday.

WILL WORK FOR THE AFFLICTED

Public Health League For Hopkins County Organizing

UNDER DIRECTION OF MISS WILLIAMSON ORGANIZING NURSE

Organization of the Public Health League for Hopkins County by Miss Williamson, organizing nurse representing the State Tuberculosis Commission, is about accomplished and the active work in the county is expected to begin prior to November 1st. A visiting nurse will be selected quickly and is expected to come in time for Miss Williamson to be with her in the county some days before the first of the month, in order to inaugurate the work along proper lines. The visiting nurse and the county work will be under the supervision of an executive committee that is now being formed. Miss Williamson, in a talk which she made before the Investigators' Club at Madisonville last night, said this committee was about decided upon and announced the personnel of the officers as follows: Paul M. Moore, president; Dr. F. P. Strother, vice president; Mrs. G. W. Parker, secretary; Preston B. Ross, treasurer. The full committee will be announced shortly, she said. The campaign is on for necessary funds with which to pay the visiting nurse for the first year, beginning November 1st, and to buy a horse and buggy for use of the nurse in prosecuting her work in the county. She will be located at Madisonville and will work out of there to Earlington and other points, extending the work as it develops. About \$115 will be needed to do this work. The Fiscal Court has appropriated \$50 a month, the Madisonville City Council \$25, and the St. Bernard Mining Company \$10 a month for the first year. To these will probably be added other monthly contributions in the next day or two. In addition the Hopkins County Public Health League is asking the enrollment of as many members as possible at not less than \$1 each and papers are being circulated by interested men and women soliciting such enrollment. Any of the officers-to-be, named above, would probably be glad to accept any names offered for enrollment.

Miss Williamson states that there are 18 nurses engaged in Kentucky in this work, outside of Louisville and Lexington. This county will be the eighteenth to establish the county work in two years. Christian county will be the next to organize. Hopkins is fifth in death rate from tuberculosis, there being four other Kentucky counties with higher death rates. While the tuberculosis work will be the principal feature of the undertaking, other diseases will be considered and emergency cases will have attention of the visiting nurse in the effort to save life.

Mrs. W. G. Parker, of Madisonville, is credited with having taken the initiative toward establishing this work in Hopkins county.

To Drive Out Malaria And Build Up The System Take The Old Standard GROVE'S TASTELESS CHILL TONIC. You know what you are taking, as the formula is printed on every label, showing it is Quinine and Iron in a tasteless form. The Quinine drives out malaria, the Iron builds up the system. 50 cents

Entertained Delightfully

Mrs. W. K. Nisbet entertained Wednesday afternoon in honor of Mrs. Walter Daves, who leaves in a few days for Evansville. Those present from Madisonville were: Mesdames Kirby Gordon, Alec Lansford, W. J. Barnhill, Earl Stone and Miss Frances Overall, from Earlington Mesdames Southworth, Atkinson, Daves, Ross, Nisbet, McKinnon, Rule, Johnson, Umstead and Rogers, and Mrs. Shopbell, of Evansville. Mrs. Kirby Gordon made the highest score, with Mrs. Daves as a close second.

Mr. and Mrs. Allen Laffoon of the Sutherland country, were in town on business Thursday.

A. O. STANLEY

Will Speak Here Tuesday at the Opera House

Hon. A. O. Stanley, Democratic nominee for Governor, will address the voters of Earlington Tuesday night, 7:30, Oct. 19, at the opera house. The Democratic Club of this city is making arrangements for a banner crowd and it is expected to have delegations from every precinct in the county.

Millions to be Provided For Aged M. E. Ministers

Washington, Oct. 12.—Superannuated Methodist Episcopal ministers ought to have about \$15,000,000 to divide among themselves to "live in comfort," thinks the Baltimore conference of that church—so it started here yesterday to get it for them.

The conference points out that the church which sees its aged workers cared for, can face "the world, the flesh and the devil."

Conventions for the subscription of this fund are being held in Washington, Baltimore, Fredericktown, Hagerstown, Cumberland and Frostburg, Md., and Martinsburg and Keyser, W. Va. Retired M. E. Ministers now receive \$11 for each year of service. Under the new fund they will get \$15, or their widows \$7.50.

The same—Doan's inspires confidence—Doan's Kidney Pills for kidney ills. Doan's Ointment for skin itching. Doan's Regulets for a mild laxative. Sold at all drug stores.

AUCTION WHIST CLUB

Mrs. W. P. Ross was hostess of an Auction Whist party Monday afternoon, which was given in honor of Mrs. Clifford Shopbell, of Evansville, Ind. Those present were: Mesdames Atkinson, Daves, Alford, McKinnon, Kline Stone and Rule. Mrs. Stone's score was the highest. At the conclusion of the game a delicious salad course was served.

Our New Battle Cruisers

In case of war with a foreign country the fleets of the United States Navy would be compelled to put to sea and fight its enemy, since there would be no hiding in secret places, as has been the case with European navies. This fact has no doubt been largely responsible for the announcement that President Wilson's program will include a request to Congress for the construction of a battle cruiser superior in speed and power to anything now afloat. Preliminary designs for this class of vessel have been prepared, and the Administration plans for a battle cruiser that will make 35 knots speed. This is equivalent to a fraction over 40 land miles. The fastest battle cruiser thus far built by any of the Powers is designed for not more than 30 knots. Consequently, the American battle cruiser will be able to sail rings around any foreign vessel of similar type now in commission. The cost of such a type will be approximately \$18,000,000.

Informal Dance

Mrs. Frank Withers entertained a few of her friends Thursday night, with an Informal Dance at the Armory, in honor of her guest, Miss Nell Satterfield, of Nashville.

C. S. BOOKWALTER IN CO. JAIL

Prominent Coal Operator Under Indictment on Serious Charge, Surrenders.

HEAR MOTION FOR BAIL

C. S. Bookwalter, wanted since last May on an indictment charging him with being an accessory before the fact in the murder of Demmett Woodruff, Hamby Station merchant, and his clerk, Glover Board, which occurred last February, surrendered to the local authorities last Tuesday morning and is now in the county jail. Bookwalter's trial was set for last Monday, but all of these cases were continued until the next term of court. Motion for bond will be heard before Judge Gordon next Friday, October 29th.

It will be remembered that Demmett Woodruff and his clerk were assassinated in his store at Hamby Station last February. Detectives worked on the case for several weeks with the result that Jim Robinson and Floyd Craynor were indicted, charged with wilful murder. Robinson was arrested and was refused bond at his examining trial. Craynor has never been arrested. Otto Hamilton, Grover Todd and C. S. Bookwalter were indicted as accessories before the fact. Hamilton and Todd both surrendered and were granted bond.

Bookwalter is president and general manager of the Carbon-dale Coal Co., and the indictment against him created a sensation.

OCTOBER IS FLEETING

and so is the opportunity to subscribe for The Evansville Courier a whole year daily by mail for \$2.50, or daily and Sunday \$4.00. Only this month will our readers have the chance to secure their favorite daily at this price. The offer expires October 31. The Courier is a mirror of the news of this part of the world—its correspondents cover every city, town and village. Knecht is doing great cartoons now and our old friends Mutt and Jeff are back.

Chicago Saloons Closed

Chicago, Oct. 11.—Saloons, hotels and restaurant bars were closed here yesterday for the first Sunday in 44 years, through an order by Mayor Thompson for the police to enforce a State law which had been ignored so long as almost to have been forgotten. The 7,152 saloons have been regulated under a city ordinance, which required only that they be closed between 1 and 6 o'clock in the morning.

The Colds of Mankind Cured by Pines

Have you ever gone through a typical pine forest when you had a cold? What a vigorous impulse it sent! How you opened wide your lungs to take in those invigorating and mysterious qualities. Yes, Dr. Bell's Pine Tar Honey possesses those stimulating qualities and overcomes hacking coughs. The inner lining of the throat is strengthened in its attack against cold germs. Every family needs a bottle continually at hand. 25c.

Vernon Crowder returned from Frankfort, where he has been working for the past few weeks.

Miss Ola Shaver returned to her home at Madisonville after a few days visit in the city.

Mrs. C. W. Tarleton, of Pensacola, Fla., arrived in the city today to visit the family of Dr. Pete Davis.

Mrs. May Brinkley and daughter Virginia, left Thursday for Evansville for a few weeks visit.

Mrs. Pete Davis was in Hanson Thursday to attend the funeral of Mr. Marshal Coffman, who used to reside in this city.

Two Brothers Dead and Father Sick With Typhoid

Herman Gill, of Nebo, a young man sixteen years of age, died Monday morning. He was buried Tuesday at Rose creek cemetery. Homer, an elder brother, died September 15. He was nineteen years of age. They leave a father who is ill with typhoid fever, of which the two sons died. The deceased leave a mother, five sisters and three brothers. They are all at home except Mrs. Vessie Thomas, of Providence, who was notified of the death of her brother early Monday morning. The family has the sympathy of their many friends in this double portion of bereavement. Mr. Gill is a brother of Charlie Gill, of this city.

Speaking Appointments of Judge Edward C. O'Rear

Bilious? Feel heavy after dinner? Bitter taste? Constipation? Liver perhaps needs waking up. Doan's Regulets for bilious attacks at all drug stores.

WILL FILL A WANT!

Since the suspension of the Louisville Weekly Courier-Journal, there has been quite a demand for a weekly Kentucky newspaper that gives all the more important state news, as well as the general news, crisp editorials, good stories, timely cartoons and illustrations.

There is no such excellent paper as the—**Twice-a-Week**

Owensboro Messenger

(Edited by Urey Woodson.) It comes every Wednesday and Saturday, (16 pages a week or more), and is up-to-date in every regard.

Try the Twice-a-Week Messenger for a year in connection with The Bee.

Both papers, one year for \$1.50. All clubbing subscriptions should be addressed to The Bee, Earlington, Ky.

Mrs. Alma Corbitt, proprietor of the Corbitt Studio, will leave Sunday for Oakland City, Ind., to attend The Photographer's Club of Indiana, Illinois and Kentucky, of which she is Vice President. Mrs. Corbitt will be gone several days.

W. L. Crowder was in Madisonville Thursday on business.

Rev. J. L. Burton and family have moved to Earlington. Rev. Burton is pastor of the Northern Methodist Church and was due here a month ago, but owing to the death of his child, was unable to come sooner. The people of Earlington extend a hearty welcome to the excellent family.

Mrs. Geo. King returned from a short visit to friends at Dawson Springs Thursday.

Every Woman Should Know

There are three entirely different kinds of baking powder, namely:

- (1) Cream of tartar, derived from grapes;
- (2) Alum, a mineral acid; and
- (3) Phosphate of Lime.

(1) Baking Powders made of Cream of Tartar add to the food the same healthful qualities that exist in the ripe grapes from which Cream of Tartar is derived.

(2) Baking Powders made of Alum add to the food some form of Alum or Aluminum, a heavy metal, wholly foreign to any natural article of food.

(3) Phosphate of Lime is made from rock or by burning bones which by chemical action are changed into a white, powdered acid. It is used in baking powder only because it is a cheaper substitute.

A Cream of Tartar powder never contains Alum or Phosphate.

Every housekeeper should read the names of the ingredients printed on the label and know what she is using.
